February 13, 2023

- Selectmen in attendance: Mike Gardner, Scott Cyrway
- Others present: Jessica Mitchell, Brian Kaczmarek, Crystal Kaczmarek, Jeff Cucci, Joshua Grant, Catrina (last name unknown, partner to Joshua Grant)
- Voted and Accepted minutes of the January 23, 2023, Selectman's Meeting
- Voted and Approved the Disbursement Warrant
- Voted and signed to appoint Rebecca Higgins to Appeals Board
- Road Commissioner's Report – Brian spoke to surrounding towns about when they normally post the roads due to consistent warm temps, roads will be posted 2/14. Weymouth Road had trees that caused damage to a plow vehicle. Plow Contractor would not return to that road until it was fixed. So, on an emergency basis, trees were cut down and cut back to clear the roadway. It looks chaotic now but once snow clears, they can begin clean up and chipping. Backhoe also needs new tires ordered.
- Next Meeting is February 27, 2023, at 6:30pm
- Public Comments: Joshua Grant and his partner Catrina came to discuss trees on Weymouth Rd. They arrived with photos showing some of the trees taken. Questioned due diligence and trees taken. Questioned why landowners were not notified ahead of time. Jeff Cucci, CEO, looked at the photos and stated that per State of Maine law, town can remove any tree that is within 26ft from the center of roadway. All trees taken appear to fall under this criteria.
- Meeting adjourned at 7:56 pm

Respectfully submitted,

Jessica Mitchell
