

Gateway project. The letter also stated that the Maine PUC has the authority and intends to initiate a new procurement.

Until further notice the current Moratorium on development of Electric Transmission Lines within the town remains in effect.

The draft will be placed in final form for submission at the annual town meeting in March.

Kevin adjourned the meeting at 7:40 p.m.

*February 22, 2024 Albion Planning Board
Public Hearing*

Members Present: Kevin Morrissey, Chair, M. Dow, J. Keay, J. Dow, D. McKeen, B. Gatti

Members Absent: B. McPherson

CEO: Absent

Others Attending: M. Gardner, T. Bolann, E. Ralston, Members of the Community

Kevin convened the meeting at 6:35 p.m

Kevin explained the purpose of the meeting was to receive comments from the public regarding the proposed draft Electric Transmission Facilities and Corridor Ordinance.

He then proceeded to identify and summarize each section of the Ordinance in order as submitted.

Comments from those in attendance was requested. Other than identification of a grammatical error there were no other comments. Members of the community in attendance thanked the Board for their work on the proposal.

Kevin summarized a letter the town received from LS Power stating that the company had suspended indefinitely their development efforts associated with the Aroostook Renewable
