- Discuss and Vote to see if Selectmen can approve use of Besse Building parking lot without having to wait until a selectboard meeting: Selectmen agreed that if it is a time sensitive then calling to get approval is okay, but if it is a business wishing to use parking lot (food truck etc) then would need to be discussed at a meeting

- Discussed amounts adopted at MSAD49 Budget Meeting
- Voted and approved paying road commissioner monthly instead of yearly
- Fire Chief Report: No word from EMA on storm damage at this time. A well is needed at the fire station. There is no well so there is no water when there is no power. Selectmen requested more bids be received as estimate was \$40k
