

**Selectpersons Meeting
February 10, 2020**

- Call to order: Meeting was called to order at 6:30 p.m.
- Selectpersons present: Beverly Bradstreet and Kevin Bradstreet
- Also present: Fire Chief, Andy Clark and Wally Linnell
- Accepted minutes of the January 13, 2020 meeting.
- The selectmen voted to contract for IT services for the town office for the coming year at a cost of \$3,500.00 per year with Technology Solutions of Maine.
- Jerry Sullivan, Sullivan's Solid Waste had asked to be on the agenda but was unable to attend due to illness. In a telephone conversation with his son Jared Sullivan, he informed us that all trash, including recyclables, should now be put in the roadside trash for weekly pick up. The new Coastal Resources facility in Hampden now sorts out recyclables once the trash reaches them. The last recycle pick up in Albion will be March 14, 2020.
- This year's town of Albion Clean-Up Day will be held at the Lee Brothers lot at 93 Unity Road, Albion on Saturday, May 16, 2020.
- There was no Road Commissioner's report.
- Signed letters to recipients of the donation the town received from the Fairfield VFW for Albion Veterans.
- Set budget requests for the 2020 Budget Committee. Meeting to be held February 11, 2020.
- It was voted to pay Brian Croft, Code Enforcement Officer, mileage in the coming year.
- Andy Clark, Fire Chief, told us that he has applied for several grants for items for the Fire Department including a new tank truck and fire hose. When the fire department receives these grants, it is a great financial benefit to the town and helps to keep taxes down.
- Meeting was adjourned at 8:00 pm

Respectfully submitted by,
Beverly Bradstreet
