- Discussed the 2020 budget and will work on it more before the next Selectmen's meeting on February 10, 2020.
- Road Commissioner reported that he had been doing some brush cutting. We also discussed making repairs to the town backhoe. Matt will get back to us with prices.
- Discussed a proposal from Aggressive Cuts, the company that does roadside mowing in Albion, about them doing brush cutting with their new equipment. Matt will call them for further information before making a decision.
- Voted to appoint James Parsons as a member of the Board of Appeals for a term to expire at town meeting in 2022.
- Assessors voted to accept and sign an Affidavit Correcting Local Government Record to correct the Municipal Tax Assessment Warrant for 2019 as suggested by Keel Hood, Albion's auditor.
- Discussed the need for new computers in the town office as the town computers all have Windows 7 and will not accept Windows 10. Windows 7 will no longer update from Microsoft allowing viruses into the town computers.
