

Selectpersons Meeting

March 9, 2020

- Call to order: Meeting was called to order at 6:30 p.m.
- Selectpersons present: Beverly Bradstreet and Kevin Bradstreet
- Also present: Road Commissioner, Matt Lee; Wally Linnell, Tom Bolen, Elaine Bolen, Mary Bragdon, Charlie Hall, Jenny Hall, James Bragdon, and Donna Bragdon
- Accepted minutes of the February 24, 2020 meeting.
- Tom Bolen requested that the town consider adopting a “Blight” Ordinance. He is concerned that there are several abandoned, unsafe structures in Albion that he feels should be removed. He also is concerned about people who leave trash on and around their property that is in plain sight of the roadways. He feels that a “Blight” Ordinance would allow enforcement of requesting that residents remove these items from their property.
- The residents were also concerned about road work that they want done on Bessey Ridge Road this year. They were told that the Bessey Ridge Road will be taken under consideration along with several other roads for this year, a determination that will be made after the new selectboard is place.
- These residents were also concerned that the town office is not open enough convenient hours for them to do town business.
- Road Commissioner reported that he is patching potholes on town roads. He will contact someone to start cutting brush.
- Meeting was adjourned at 8:05 pm

Respectfully submitted by,
Beverly Bradstreet
